### Honoring Memorial Day

As we reflect on Memorial Day, we give thanks and honor to all fallen veterans who bravely served and sacrificed their lives protecting our great country. This National Day of Mourning reminds us of those who did not return home, and we remain deeply grateful for their service. We also extend heartfelt appreciation to all military personnel currently protecting us from harm.

### Refurbished Manorville Welcome Signs

In preparation for our anniversary year, Council and I partnered to refurbish the Manorville signs originally installed in 2016. Located at the entrances on Water, Mill, and McCain Streets, the signs received:

- Fresh paint
- Digitally updated river artwork
- White vinyl-covered posts

The total cost of \$1,820 was shared between the borough and remaining funds from the previous celebration. Special thanks to Coleman Signs for their excellent work.
